

**REMARKS**

In the Notice of Non-Compliant Amendment, the Examiner alleges that claims 37-43 were previously canceled by election, whereas the amendment filed on November 9, 2004 notes that they are withdrawn. Applicants herein submit for consideration a corrected "Amendments to the Claims" section and request that this section replace the original "Amendment to the Claims" section originally filed in the amendment and response filed on November 9, 2004. No new matter has been entered by way of this amendment.

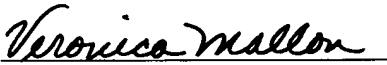

***Fees***

No fees are believed to be necessitated by the foregoing response. However, if this is in error, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or credit any overages.

***Conclusion***

Applicants believe that the foregoing amendment and response addresses the correction to the "Amendments to the Claims" section as noted in the Notice of Non-Compliant Amendment. Favorable and further consideration of the response as filed is courteously requested.

Respectfully submitted,
